Many people have tried surfing or whitewater rafting. But have you tried kitesurfing or coasteering? No? Well, come and **Have a Go!**

August 22nd

The **Have a Go!** festival is the biggest ocean sports festival in the US. Our reporter, Linda Spears, hasn't done ocean sports before, so she met Joe Nichols, the festival organizer, there yesterday.

Linda So, tell me, Joe, what's the most popular sport this year?

Joe Well, a lot of people have tried kitesurfing. Coasteering is very popular, too.

Linda And what's coasteering? I've never heard of it.

Joe Oh, it's an amazing new sport. We haven't done it at the festival before. You do it on a rocky coast. You climb onto the rocks and then you jump into the sea. You also swim into caves. It's great fun.

Linda Have you ever had an accident?

Joe No, we haven't. It isn't that dangerous. You have to wear a wetsuit, a life jacket, and a helmet. Even my young daughter has done it.

Linda Did you invent it?

Joe No, it started in the UK in the 1970s.

Linda Have you been to the UK?

Joe Yes, I have. I went there last year and discovered that coasteering is really popular, so I started it here in the US. You have to try it!

Linda OK, I will!

...

Wow! Well, I've tried coasteering! And I've never had so much fun in my life! It's amazing! I'm going to try kitesurfing tomorrow. It's going to be a fantastic day!
